Additional Skills :

Additional Information :

Date: 1/8/2016 Designation: Dear Sir, I am submitting herewith my resume for your perusal and consideration for the post of Chief mechanic in your organization. An astute and skilled professional offering over a decade of experience in land rigs across various industries conventional ,cyber, and Amphion Integrated (NOV, Bomco ,Hong Hou, Drillmec, NOV DC Ideal RIG, IDM) and Jack up Rigs. I am currently associated with Weatherford Drilling International Company as Mechanic Field Foreman. I have qualified B.Sc. (Mechanical Engineering) from Faculty of Engineering, University of Ain Shams. My core competencies include supervising work ethics closely in all phases of the project and providing regular reports to higher management for easy progress monitoring and timely intervention to arising issues. I am skilled in developing best practice to reduce waste and operating cost as well as participating in budget preparation and expense management activities. To describe myself in a nutshell, I am systematic, organized, focused, hardworking, and an adventurous go-getter; ready to take up any challenge of life abreast with the latest trends & a team player with excellent communication skills. My basic objective is to hone in my skills for comprehensive personality development and become an epitome of trust and reliability in the corporate world. My prime goal is to understand professional environment and capitalize on opportunities. I'd appreciate the chance to meet with you in person to discuss as to how I could be a vital part of your organization. Thanking you, Yours sincerely, YASSER TALAAT SAYED AHMED SOBH Enclosure: Resume
