## PROFILE

An adaptable and responsible graduate seeking an entry-level position in an Oil & Gas company or any relative field. During my degree I tried to combine my studies with work and other commitments showing myself to be self-motivated, organized and capable of working under pressure. I have a clear, logical mind with a practical approach to problem

solving and a drive to see things through to completion.  
I enjoy working on my own initiative or in a team. In short,  
I am reliable, trustworthy, hardworking and eager to learn.

## EDUCATION

Bachelor of Engineering (B.E.), Fuel & Energy Techniques Basrah  
Technical Engineering College (July 2010 – 2014)

## LANGUAGES

English as a foreign language: Fluent in speaking,  
very good in writing. Arabic as Native language.
