FALCON ID # 865

Oilfield Services / Draftman/designers

Residential Country : United Arab Emirates Nationality : India
Resume Title : Mechanical /piping Draftsman Notice Period : 21 Days

EDUCATION

| Qualification | Institute / College /university | Year | Country |
|-----------------|---------------------------------|------|---------|
| Diploma Holders | M.h Saboo Siddik | 2006 | India |

CAREER SUMMARY

| Position | Employer | Country | From Month/ Year | To Month/ Year |
|----------------------------------|---|----------------------|---------------------|-------------------|
| Piping Draftman | Reputed Company | United Arab Emirates | 03/2012 | / |
| Executive Draughtsman (Designer) | Al-Jaber Engineering, Doha-Qatar | Qatar | 03/2009 | 08/2012 |
| Executive Draughtsman | Das Offshore Engineering Pvt. Ltd. Mumbai | India | 03/2006 | 02/2009 |

ADDITIONAL CERTIFICATE AND TECHNICAL QUALIFICATION

| Name Of The Course | Course Date | Valid Upto | Name Of Organisation |
|--------------------|-------------|-------------|----------------------|
| Auto Cad | 03 Feb 2006 | 03 Jun 2006 | Sultan Institute |

Current Salary
(Monthly In Usd): 1500

Expected Salary
(Monthly In Usd): 2500

Additional Skills :

Job responsibilities:

Reviewing of P&ID, Piping general arrangement layouts, piping isometrics, supports details, Material take off, Equipment location plans, Nozzle orientation drawings, Tie-in index & Tie-in packages.

Generating a Isometric drawings on Spoolgen Software.

Locating the welding map Isometric on Spoolgen.

Preparation of Piping GA Drawings.

Preparation of Isometric drawing as per layout and taken MTO as per specification

Calculate Pipe Inch dia as per isometric drawing

Prepare Schedule of working drawings in co-ordination with Project Engineer.

Locating the Small bore Support on Isometrics

Preparation of shop drawing as per site condition with all details and specification

Develop working drawings from design drawings in Co-ordination with all other services.

Preparing material take-off requirement and isometric drawings for construction.

Prepare necessary Co-ordinated sectional detailed drawing and builder's works.

Preparing and checking of equipment orientation drawings for all types of petrochemical

Equipment, equipment spacing, accessibility, operation and maintenance requirement.

Review all vendor documentation to assure the compliance with the design and

technical requirement.

Control incoming and outgoing drawing with proper records showing status of drawing approved.

Continuously updated project drawings and document to final As-built status.

Since 3rd March'2009 to August 2012

AL-JABER ENGINEERING, Doha-Qatar as Executive Draughtsman (Designer)

Project (I): Ras Laffan Industrial City, SSA & West End Extension EPIC of

Wet Utilities Distribution Network, PKD-1

Job responsibilities:

Worked as a Piping Draughtsman at Ras Laffan Industrial City(Site Office).

Studying Scope of Work.

Code familiarity ASME codes for pipe fittings, valves and gaskets

Preparation Isometric drawing based on Piping GA drawing as per specification.

Preparing Isometric Sketches with support and MTO.

Preparation equipment layout, Preparation of Piping Layout Drawing

Role Preparation of 2D drawings for plot plan, equipment layout, piping GAD, isometrics, support marking, annotation of 2D drawings extracted from 3D model.

Modification jobs, general arrangement layouts drawings, Prepare Section & Details drawings etc.

Preparation of new Isometric drawing as per layout and taken MTO as per specification
Preparation of Welding map Isometric Drawing, Calculate Pipe Inch dia as per isometric drawing
Site survey for As Built Drawings.
Work closely and coordinate with Civil and Structural disciplines for clash clearance and civil support.
Maintaining the file record (Electronic & Hard Copies) & other technical document.

Project (II): Above Ground Metal Piping & Equipment Installation. (Aluminum Plant)

Job responsibilities:

Worked as a Piping Draughtsman at Qatalum Aluminium Plant (Site Office).

Studying Scope of Work

Detail engineering drawings, study the specifications & API standards.

Preparing the drawings for project, tender purpose as per client requirement, modification jobs, general arrangement layouts drawings, etc.

Responsible for Field run Isometrics.

(Scope of Area - Water supply area, closed cooling medium, Emergency cooling Tower
Safety shower system, Harbour area- Jetty, and Seawater Pumping station.)

Preparation of new Isometric drawing as per layout and taken MTO as per specification

Preparation of Welding map Isometric Drawing, Calculate Pipe Inch dia as per isometric drawing.

Final Material take-off for Isometric drawings.

Preparing Isometric Sketches with support and MTO.

Responsible for Fabrication and Installation of Field run line.

Submitted As-built Red line Mark up for all P&ID and Isometrics. (Under Contract).

Checking of Isometrics and plant review using

Naviswork.

Site survey for As Built Drawings.

Involved for updating Clients existing documents such as P&ID and Isometrics.

Modification of piping isometric as per site condition.

Since March 2006 to February 2009

Project: PRP2 & OGIP (pipe replacement project).

Job responsibilities:

Preparation of clamp elevation & details.
Preparation of Isometric Sketches with support and MTO.
Preparation of mechanical piping drawing as per the sketches given by the mechanical engineer.
Preparation of Isometric & shop drawing.
Preparation of Welding map Isometric Drawing, Calculate Pipe Inch dia as per isometric drawing.
Preparation of as built drawing for Piping Installation.
Work closely and coordinate with Civil and Structural disciplines for clash clearance and civil support.

Additional Information :

Qualification :

Diploma in Mechanical from M.H. Saboo Siddik Polytechnic.
Certified course of AutoCad 2D,3D from Sultan Institute.
Online Course of QA/QC.
HSC from DBJ College Chiplun

Technical Skills :

| Software/Tools | Proficiency |
|---------------------------------|-------------|
| Auto Cad | Proficient |
| Micro station | Proficient |
| Spoolgen | Proficient |
| Autodesk Navis work Freedom(3D) | Proficient |
| Ms. Office. Word | Proficient |
