## Personal Information

Candidate id	1082
Name	ANDREY KRASNOV, M
Date of Birth	1978-09-24
Salary (in USD)	14000/
Industry	Oilfield Services
Sub Industry	
Nationality	Russia
Primary Language	English,
Secondary Language	
Total Years of Experience	15

## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Dynamic engineering professional with extensive experience in spearheading completion processes. Stellar project management reputation with a commitment to high performance and quality. • Skilled in strategic planning, completion, workover, wireline, slickline, and coiled tubing intervention, hydraulic fracturing design, pumping, well testing, wellhead maintenance, and technique/materials selection. Program Management: Proven track record of well completion, workover, intervention, and abandonment. Problem-solver and self-starter in managing service and procurement contracts, as well as performing technical and commercial evaluation. • Accomplished Goal Zero while slashing NPT from 20% to less than 8% on final project through the careful planning and series of System Integration Tests in the yard. • Delivered project successfully by nurturing solid relations with service partners and introducing productive partnership cadences. Served as contract holder for key CWI contracts, encompassing Coiled Tubing, Stimulation, and Slickline. Applied broad knowledge in contract assessment and negotiation

Created call-offs, equipment purchasing, VTCs, and job scheduling. Coached junior employees and drove several new technology trials to facilitate WRFM production targets.

## Education Summary

Course	University	Passing Year	Country
Master of Science in Petroleum Engineering	---	2001	Russia
