Respected Sir/Madam With over 15 years of experience in OEM power generation and heavy equipment, earth moving machineries, and transportation, I am a seasoned project Incharge at Diesel Machinery Company Ltd, a leading provider of diesel engines and generators in Saudi Arabia. I am responsible for planning, executing, and supervising various projects involving installation, maintenance, and repair of diesel machinery and equipment, ensuring quality, safety, and customer satisfaction. I have a strong background in electrical and mechanical engineering, with a B.Tech degree from Indus University and a 3-year diploma from Govt. Jamia Milia Polytechnic Institute. I also have a technical school certificate in computer science and proficiency in SAP FICO, a widely used software for financial and cost accounting. I leverage my skills and knowledge to optimize the performance and efficiency of diesel machinery and equipment, troubleshoot and resolve complex issues, and prepare and analyze reports and data. I am passionate about delivering innovative and sustainable solutions for power generation and heavy equipment, and I enjoy working with a diverse and talented team of professionals.
