Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>This is Engineer Younis Yasin, a qualified petroleum engineer with a couple of years of diverse experience in the oil and gas sector. I also hold internationally recognized safety certifications, including NEBOSH, OSHA, and IOSH, enabling me to contribute effectively as an HSE professional. After completing my graduation in petroleum engineering, I have gained valuable experience working with various organizations in different capacities. My roles have included HSE Officer, Assistant Driller, and Assistant Petroleum Engineer, providing me with a well-rounded understanding of the industry's technical and safety aspects. My professional journey has equipped me with expertise in maintaining operational safety, ensuring compliance with HSE standards, and contributing to efficient field operations. With a commitment to upholding workplace safety and enhancing operational excellence, I am confident in my ability to add value to any organization. I am eager to leverage my technical background and safety knowledge to promote a culture of safety and efficiency in challenging work environments.</p>	<p>HSE Assistant driller Well control</p>
