## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

With over 25 years of international experience in the oil and gas industry, I have held a range of positions within the drilling environment, entailing operations, facilities, maintenance, engineering, projects, and performance coaching. Currently I am a seasoned Drilling Supervisor at Equinor managing the day-to-day offshore drilling and workover operations at mature fields in the North Sea, ensuring safety, efficiency, and compliance with industry standards. I am a self-motivated team player with excellent organizational, leadership, and communication skills, and a proven ability to work well with a multicultural group of individuals.
