Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

As an Assistant Driller, I am passionate about the drilling industry and committed to supporting the safe and efficient operation of drilling equipment and machinery. My top priority is to promote a secure work environment for all personnel by closely monitoring drilling equipment and fluids, performing maintenance and repairs, and following established safety procedures. Through my dedication to achieving high levels of safety and performance, I aim to contribute to the success of drilling operations and ensure that all personnel can work safely and efficiently. Key Achievements: Actively participated in different types of rig moves; achieved project goals through significant teamwork and solid work practices. Effective leadership and organizing skills. Conducted routine inspections and maintenance on drilling equipment. Participated in rigging up and rigging down operations. Operated drilling machinery under the driller's guidance. Monitored drilling parameters and reported abnormalities. Assisted in wellbore stability analysis and implemented drilling techniques. Maintained a clean and safe working environment on the rig. Adhered to health, safety, and environmental regulations.

IWCF:- level 3
IADC :- level 3
