Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

My name is Michael Paillou. I have been employed in the oil field industry for the past 32 years. I have worked all positions. My last position for the past two years has been as international OIM in Myanmar. I am self motivated, familiar with harsh conditions and dedicated to my role. I am able to work professional and confidently with an in depth range of industry experience. All certifications are up-to-date as required. I have worked on extensive projects on demanding sites within challenging fast moving, and hazardous environments while ensuring all health and safety requirements are met. I have demonstrated ability to contribute with an in-depth range of industry experience. I am now looking for a new challenge to bring my discipline, work ethic, and commitment to delivering all work requirements, productively, safely and on time with a company that values passion, positivity, integrity and hard work. I am very excited about this opportunity and interested in meeting with you to discuss my career history, experiences and knowledge that I have gained through the years. Please take a moment to review my enclosed resume'. I am grateful for your evaluation on my experiences and looking forward to a response

Troubleshooting drilling equipment Downhole tools and problems Offshore Installation Manager IWCF well control
