----------------------------	---------------------------------

With honour and respect, I wish to draw your attention to the level at which I am fully prepared to enrol if not continue to enrich my professional career as a Hydraulic/ Diesel Mechanic, Heavy Duty Mechanic, or a Mechanical Technicians in your company. Buried in the love of practical and the engineering sector, I graduated from a Higher Professional Institution with a Diploma in Mechanic and Business Management, and Two Diplomas from City and Guild Institute London in Motor Mechanic, Technicians for Africa Certificate from CATERPILLAR University in Morocco During and after my Professional Training, I have a Nine Years Pluses strong mechanical working experience with the following companies in and out my country, TRIDENT Energy, Addax Petroleum, PARAGON OFFSHORE, DIAMOND OFFSHORE, ATWOOD ATWOOD OCEANICS, TAFOR ENGINEERING and SAMARCO Enterprise. I have worked on Thermal Power Plants, Mitsubishi, CAT, Komatsu, Wartsila, Hitachi, Generators, EMD, Compressors, Boilers Turbine Compressors, Pumps etc. I am physically, psychologically, mentally and morally fit if given the opportunity. I am fully convinced I can contribute enormously in the success of your company. I have become particularly interested in team work and respect hierarchy.
