MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	1564
Name	Nayon moni Das
Date of Birth	1986-03-03
Salary (in USD)	2090/
Industry	Drilling / Rig
Sub Industry	
Nationality	India
Primary Language	English,
Secondary Language	
Total Years of Experience	10

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

-Operated drilling equipment, ensuring precision and adherence to safety protocols. -Break off the bottom hole components, drill line cut & slip, nipple up/nipple down BOP, BOP pressure test & function test, Running Casing string & Cementing job. - Calculate & record of drill line -TDS 11 SA operation, maintenance. -2000 HP rig experience -Drilling efficiency and safety -Managed drilling crews, providing effective leadership and supervision. -Maintained and inspected drilling machinery for optimal performance. -Collaborated with engineers to implement drilling plans and solve operational challenges. Receive instructions for drilling parameters (weight on bit, rotary table rpm, pressures and pump outputs) as well as other work procedures (type and expected life of bit, mud characteristics, bore control etc.), and ensure their correct application. Whenever deemed necessary, within the specified limits, change the drilling parameters to improve the drilling progress; Receive handover for the previous shift and verify the status of operations and equipment before beginning his shift; Check and set up the equipment necessary for the assigned shift, i.e. drill pipes and other tubular material, x-over, etc; Operate the drawwork during drilling activities and complex manoeuvres; Assist rig down/rig up operations by coordinating and controlling; Ensure that all reporting routines are followed and that all equipment related paperwork are carried out within his area of responsibility. Specifically he/she must: fill up a daily drilling report for the activities performed during his/her shift describing the work carried out and the equipment utilized; Update the pipe tally book and draft dimensioned drawings of the equipment run in the well; Be safety conscious in all his/her work and use compulsory protective equipment; Responsible for safe working conditions on the drill floor at all times; Ensure that his subordinates use compulsory protective equipment; Be familiar with all relevant work and safety procedures issued by Company and Operator; Issue Safe Job Analysis before start-up of non-routine operation or job and ensure completion of risk assessments where required; Instruct all personnel assigned to him for assistance of their duties and responsibilities and of any special safety precaution to be taken prior to start-up of any work; Carry out BOP and pit level drill etc. in accordance with regulations laid down by Government Authorities or Operating Company; Promptly report all accidents, near-miss accidents and non-conformance through the proper channels; Ensure that good housekeeping is maintained on the drill floor;

Certifications: IWCF : LEVEL 3,LEVEL 1. FIRE FIGHTING CERTIFICATE FIRST AID & MVT. Proficient in operating drilling equipment and associated machinery. In-depth knowledge of safety protocols and emergency procedures. Excel, dtp, windows, internet.

Education Summary

Course	University	Passing Year	Country
B. Tech petroleum engineering	Dibrugarh university Institute of engineering and technology	2014	India

Career Summary

Position	Employer	Country	From	To
Driller	Jay bee energy pvt ltd	India	01/2019	01/2025
