Personal Information

Candidate id	1568
Name	Muhammad idrees
Date of Birth	2000-07-29
Salary (in USD)	1800/
Industry	Solar
Sub Industry	
Nationality	Pakistan
Primary Language	English, Hindi,
Secondary Language	
Total Years of Experience	1

Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>I'm a fresh graduate in mechanical engineering having 6 months of industrial experience plus internship through which I learned about Solar systems practically. And, to pursue this filed ; I'm eagerly looking for a opportunity. As renewable energy is future especially Solar energy. My Final year Project in university was titled as" Fabrication and Designing of Solar Panel Cleaning System", in-which , I along with my other colleagues; made a reusable water cleaning system in which water have been recycled. Also, in my internship at Heavy Industries Taxila (HIT) PAKISTAN, which is only Tank Manufacturing Factory in Pakistan; I studied; Collaborated with the assembly team to perform regular inspections of "Al Khalid" Tank Manufacturing. Showcased the Tank Turrent Frame of Pakistan's newly made Tank "Al-Haider" on Solidworks. Got familiar to 6,8,9-axis CNC machines used for cutting in Heavy Tanks parts</p>	<p>Time management Team work Microsoft word, excel</p>

Education Summary

Course	University	Passing Year	Country
