Additional Information

Roles and Responsibilities	Additional Skills/Certification
I have been working in the drilling industry/ locations for the past 10 years as a Welder and as a water drilling rig operator, and during that time I have acquired a wealth of knowledge and experience. I am familiar with all aspects of the drilling process, from the initial planning stages to the final product. I have experience with both welding and drilling, and I am familiar with a variety of drilling equipment and procedures. I am also familiar with the latest welding technologies and methods, and I am confident in my ability to utilize them effectively. I am also comfortable working in a remote location and am familiar with the challenges and rewards that comes with living and working in a remote location. I have a strong track record of success, and I am confident that I can deliver the same results for your company. I am also a team player, and I am confident that I can work effectively with your team to achieve common goals.	Welding, computer, water treatment, electrical
