Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Dear Hiring Manager, I am writing to express my interest in a technical position at your company. My name is Lotfi Berrabah, and I am a highly motivated industrial maintenance technician specialized in drilling and exploration machinery. I was born on October 23, 1988, and I am married with four children. I am pleased to confirm that I am free of any obligations that might interfere with my professional commitments. With a solid background in mechanics and experience in the oil and gas industry, I have developed a strong skill set that I believe would make me a valuable addition to your team. My hands-on experience working with various drilling equipment has equipped me with the knowledge necessary to contribute effectively to your projects. Additionally, I possess strong computer skills that allow me to navigate technical software and engage in data analysis, which is essential in today's technology-driven environment. I am particularly drawn to your company because of its commitment to innovation and excellence in the energy sector. I am eager to be part of a company that values safety and efficiency while driving forward the advancements in the industry. My goal is to leverage my technical skills and experience to help to your company, achieve its objectives while growing both personally and professionally within the organization. Thank you for considering my application. I look forward to the opportunity to discuss how my experience and skills align with the needs of your company. Please feel free to contact me at your convenience to schedule a discussion. Warmest regards, LOTFI BERRABAH
