Additional Information

Roles and Responsibilities	Additional Skills/Certification
As an HSE professional, I ensured compliance with health, safety, and environmental regulations, fostering a culture of safety across the organization. My key responsibilities included developing and implementing safety policies, conducting risk assessments, and ensuring adherence to regulatory standards. I spearheaded initiatives such as employee training on hazard identification and emergency response, regular audits, and inspections to identify potential risks. Additionally, I coordinated the investigation of incidents and near-misses, implementing corrective actions to mitigate future occurrences. Collaborating with cross-functional teams, I contributed to achieving zero incidents through proactive safety measures and promoting sustainable environmental practices. My efforts directly led to improved compliance rates, reduced workplace incidents, and increased employee awareness of safety and environmental stewardship.
