-----------------------------------	--

My career has given me the opportunity to manage activities in the petroleum and mining sectors in companies all renowned for their excellence. For more than 17 years, I have been working in a global context, which makes me an international employee capable of operating in very different cultural contexts. international employee able to operate in very different cultural contexts and deal with multiple complexities. I have worked in companies with an Anglo-Saxon culture (North American and English Africa , Middle East) . Over and above my technical skills, I believe I have based my successes on a sound strategic vision combined with constant attention to operational details. A high degree of adaptability and responsiveness. Today, if my career path gives me a natural legitimacy within your company, I am very interested interested in the position that is part of my HSE Offshore professional field of supervision and, above all, responsiveness. reactivity and having managed mobile equipment including bobcats, forklifts on Madagascar . I would be delighted to meet with you at your convenience to discuss the position. I looking family expat position. I can transfert some references letters if you need (technip , seadrill) and assessment note in Saoudi For information my Opito Bosiet huet CA-EBS valid until 2029
