Additional Information

Roles and Responsibilities	Additional Skills/Certification
Operation of Equipment: Drillers manage and monitor drilling machinery and tools, ensuring proper functioning to achieve efficient drilling operations. They adjust equipment settings as needed to maintain accuracy and productivity. Safety and Compliance: Ensuring the safety of the crew and compliance with regulations is a top priority. Drillers perform routine inspections of equipment, enforce safety protocols, and respond promptly to emergencies or equipment malfunctions. Crew Supervision: Drillers oversee the drilling team, delegating tasks, providing training, and ensuring that each team member follows operational and safety guidelines. Monitoring and Reporting: Drillers record and monitor drilling progress, pressure, and other critical parameters. They provide regular updates to supervisors and maintain detailed logs of operations. Maintenance: Regular maintenance and troubleshooting of drilling equipment are essential to minimize downtime	IADC (International Association of Drilling Contractors) #IADC Rigpass #H2S Awareness and Safety #Confined Space Basic Firefighting Training CPR and First #Leadership and Supervisory Skills Training #Risk Assessment and Incident # Heavy Equipment
