<p>: "I maintain a 100% safety record, take accountability for the driller position, and am known for being honest, punctual, and innovative. Have good knowledge and thorough understanding of drilling and principals, down hole tools and surface equipment. Good communication skills and good command in written and spoken English, I can work efficiently in multilingual environment. The drilling program consisted of vertical and horizontal wells with potential to encounter High Pore Pressure and High Temperature. These being very high profile wells with extremely narrow margin drilling between pore pressure and fracture gradient. Serious drilling challenges including well kick, loss circulation, stuck pipe, connection gas, low kick tolerance, side-tracking which poses more complex situations in regard to well control. Some equipment utilized during the project consisting of highly expensive directional drilling tools and managed pressure drilling technologies.</p>	<p>IADC supervisor level BOSIT H2S OPITO IWCF</p>
