## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

In total I have 16+ years of working experience in a large oil and gas company in Russia on land drilling rigs and mobile workover rigs. Experienced Drilling Supervisor for the wells ranging complexity from near-vertical 2-string water-source wells to extra-long reach horizontal wells with wide range of geological uncertainties with HPHT, OBM, WBM. Drilled directional and horizontal wells up to 5000m AHD and 2600m TVD, horizontal sections up to 1700m with cemented and non-cemented liners, stages cementing. I am an experienced workover Supervisor for wells. I always work according to the work plan, taking into account regulatory documents and company standards. I am experienced in well completion as preparing wells for geophysical work, perforation, development of Oil reservoirs by lowering the liquid level with the compressor unit, receiving inflow, preparing wells for hydraulic fracturing by RIH the packer, flushing wells, RIH an Electric Submersible Pumps, acid jobs. Highly knowledgeable and experienced in Workover jobs - Box taps and taper taps, milling tools, overshots. Work was carried out on the development and commissioning of wells with subsequent transfer to the client (subsoil user) 252 wells over period of 7 years. For great merits and personal contribution to the development of oil and gas fields, initiative and quality work I was awarded a certificate of honor from the CEO of Surgutneftegaz PLC.

I have valid IADC certificate  
Supervisory level
