at the moment with availability, experience in drilling equipment in general, compliance, maintenance management, material and personnel, ease of interaction, willing to grow the company...passport availability. at the moment with availability, experience in drilling equipment in general, compliance, maintenance management, material and personnel, ease of interaction, willing to grow the company...25 years of experience in the oil and gas world. I have no problem spending extra time if the company needs it, I have full availability. Passport ok. Ease of adaptation to any workplace and team. Management to carry out teamwork always aiming for the safety of everyone first and of the operation. If the work is unsafe, it will be stopped and we will look for the safest way to carry it out. at the moment with availability, experience in drilling equipment in general, compliance, maintenance management, material and personnel, ease of interaction, willing to grow the company...In all the companies I have worked for, I have never been involved in accidents or incidents that could have endangered life or operations. Before starting any work, we always hold meetings and discuss the best way to carry out the work step by step, taking into account the time required to complete it.
