| Dear: This letter is an application for Well Intervention Supervisor position in Kuwait. First of all, please let me introduce myself. I am petroleum engineer since 1997, I am currently employed as Department Head for Syrian Gas Comp any in Homs, and I had worked in Al Furat Petroleum Company ( joint venture company between the General Petroleum Corporation and Syria Shell Petroleum Development ) for 11 years as well services supervisor., then transfered to Syrian Gas Co. as Field Development Department Head. This experience taught me a lot on many levels, especially in well services operations, HSE and contract management sectors. and I have good experince with MS office programes. I always work hard, with strong communication skills and ability to adapt to work as member in team in different environments. I do my best to be fully dedicated to the work. | Well Control certified                 |
