----------------------------	---------------------------------

I would like to take this opportunity to introduce myself with 31 years of international experience as the following. Material and Logistics Consultant with over 15 years in the oil and gas industry, specializing in both offshore and shore-based operations. I have successfully collaborated with top IOCs such as Total Energies, Eni, Petronas, Lukoil, and Cairn Energy, leading projects that optimize supply chains. I am currently open to new opportunities and available for immediate engagement. Feel free to reach out for potential collaboration

Undertaking receipts and checking incoming stock in line with company goods in process, ensuring all EPOS and labels are completed as appropriate, and product is correctly located within the warehouse.
