Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Perform routine and preventive maintenance on pumps, compressors, valves, pipelines, and other rotating and static mechanical equipment. Troubleshoot and repair mechanical failures and ensure minimum equipment downtime to support uninterrupted operations. Assist in mechanical installations, alignments, replacements, and overhauls of machinery in compliance with HSE standards. Read and interpret mechanical drawings, P&IDs, maintenance manuals, and standard operating procedures (SOPs). Work closely with field operators and maintenance supervisors to plan, coordinate, and execute daily maintenance tasks. Monitor equipment conditions and report abnormalities to supervisors or engineers for timely intervention. Support rig-up/rig-down operations and assist in mechanical commissioning/start-up and shutdown procedures. Follow permit-to-work (PTW), lock-out tag-out (LOTO), and safety isolation procedures. Maintain accurate logs of maintenance activities, inspections, and repair records. Uphold workplace safety and actively participate in toolbox talks, safety drills, and hazard identification.

IWCF Level 1 & WOCRM certified. Skilled in mechanical maintenance, troubleshooting, and field support. Familiar with PIPESIM, OFM, ECLIPSE. Strong safety mindset and quick adaptability in oil & gas environments
