## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

am an experienced and dedicated oilfield worker with more than 4 years of hands-on experience in drilling operations. I have worked as a Roustabout and Floorman with Apexindo and Pertamina Hulu Mahakam, where I was responsible for supporting various rig floor activities. My duties included tripping in and out drill pipes, handling BHA assemblies, running casing and tubing, and maintaining equipment such as choke manifolds, tongs, iron roughneck, slips, and safety clamps. I have strong knowledge of hydraulic systems and have performed nipple up and nipple down on blowout preventers (13 5/8") and diverters (29 1/2"). I have also supported completion jobs such as running R-nipple, TR-DHSV with control line, and tubing hanger installation. I am physically strong, disciplined, and committed to following safety procedures at all times. I hold the following valid certifications: BOSIET Basic Safety Training (BST) Fire Fighting Advanced First Aid Lifting and Rigging CLSR Demo Room Training (Pertamina) Certified Floor Man (PPSDM MIGAS) I speak fluent Indonesian and basic English. I am currently studying Business Management at Open University to expand my knowledge and career opportunities. I am eager to work offshore and contribute to a safe and professional drilling team.

Certified in BOSIET, BST, Fire Fighting, First Aid, Lifting & Rigging, CLSR Demo Room, and Floor Man. Skilled in rig floor operations, BHA handling, casing/tubing runs, and maintaining tools like choke manifold and iron roughneck.
