<p>My job as a Storekeeper for Naga 4, Velesto Energy, I generally revolves around managing inventory, ensuring accurate stock levels and facilitating the smooth flow of materials within the Velesto organization. This includes receiving, storing and issuing items, maintaining records and supporting team members in these tasks. Before this, as a Roughneck, I carry out variety of general laboring duties and operate equipment to assist in the servicing of oil and gas wells. While as a trainee Roustabout, generally, I have to perform basic tasks, which are essential for keeping the installation in working order. Additionally, I have more than 10 years working experience as a manual machinist. I have perfect technical skills in the repairing of API connections (Threading) and fabricating products, and reface & rethread drillpipe connection as well. Besides, my communication ability and aspiration to learn helps me to work in a team. I also have a good practical skills, attention to safety, teamwork and being able to follow instruction.</p>	<p>TBOSIET, Offshore & Remote Onshore Medical Fitness Certificate</p>
