## Personal Information

Candidate id	3129
Name	Eduard Glaz
Date of Birth	1972-12-06
Salary (in USD)	8700/Per Month
Industry	Oilfield Services
Sub Industry	
Nationality	Lithuania
Primary Language	English,
Secondary Language	
Total Years of Experience	22

## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

I hold a Degree or Certification in Electronics Engineering and have 22 years of experience working with complex electronic and control systems in industrial and energy sector environments. My work has included installation, troubleshooting, and preventive maintenance of PLCs, SCADA systems, instrumentation, and communication equipment—all of which are critical to ensuring safe and efficient drilling operations. I am particularly drawn to this opportunity because it combines my technical expertise with my passion for the energy sector. I understand the importance of system reliability and real-time diagnostics in a high-risk, high-performance environment like a drilling rig. I am also well-versed in safety procedures, compliance with industry standards (such as IEC, API, and ATEX), and working collaboratively in multi-disciplinary teams. In previous roles, I have demonstrated strong problem-solving skills, a proactive approach to maintenance, and the ability to remain calm and focused under pressure. I am also comfortable working in remote and challenging conditions, and I am prepared to adhere to rotational schedules and offshore requirements. I am excited about the opportunity to be part of your team and contribute to the continued success and safety of your drilling operations. Thank you for considering my application. I would welcome the chance to discuss how my skills and background can benefit your organization.

Maintenance and Installation University Diploma in electrical Engineering. ABB H869 High Voltage distribution system 11kV marine. NOV SVG2030 Mud pumps and DRWKS, TD and etc.

## Education Summary

Course	University	Passing Year	Country
Electrical engineering	Klaipeda University	1996	Lithuania

## Career Summary

Position	Employer	Country	From	To
Chief electrician	Noble Drilling	United Kingdom	09/2008	11/2011
Chief ET	Noble Drilling	Egypt	12/2011	03/2015
Chief ET	Noble Drilling	United Kingdom	03/2015	05/2018
Chief ET	Noble Drilling	Qatar	05/2018	05/2020
Chief ET	Noble Drilling	Denmark	05/2020	11/2022
Chief ET	AGR ADES	Saudi Arabia	11/2022	07/2025
