Additional Information

Roles and Responsibilities	Additional Skills/Certification
As a Senior Crane Operator on offshore jack-up and drilling rigs, I oversee safe and efficient pedestal crane operations for critical lifts. My responsibilities include: - Handling crane lifts of equipment, cargo, pipes, containers, and personnel baskets between supply vessels and the rig or within the deck area - Adhering to safety protocols and industry standards (LOLER, IMCA, API) in various sea and weather conditions - Conducting pre-use checks and routine crane maintenance to prevent downtime and hazards - Reporting mechanical issues and maintaining accurate lift logs - Ensuring all lifting gear is certified and in good condition With expertise in operating cranes in challenging offshore environments, I prioritize safety and efficiency to minimize risks and ensure smooth operations. My role demands attention to detail, strong technical skills, and a commitment to upholding industry standards and regulations. By following strict safety guidelines and maintaining equipment in top condition, I contribute to the success of offshore drilling operations.	Bosiet, huet, hlo etc
