Dear HR Teams My name is Duisen Konysbayev and I would like to express my interest in the mechanical or Electrical vacancy in your company. With extensive experience in the oil and gas industry, I am confident that my experience and skills will be beneficial to your company. My professional experience includes: 27 years of work as a Chief Mechanic in the international company Parker Drilling, where I was responsible for the maintenance of the 6th generation drilling equipment and hydraulic systems. Development and implementation of maintenance plans using Oracle Planned Maintenance System, which allowed to effectively reduce unplanned downtime. Extensive experience in working with modern systems and equipment of such companies as Weatherford, Nabors and Saipem. Professional skills in the field of hydraulics, as well as experience in leading a team of mechanics under high load conditions. I am also speak in English and Russian, which allows me to work effectively in an international environment. I have attached my resume and would be happy to discuss in more detail how I can contribute to the success of your company. I would appreciate the opportunity to interview and discuss how my skills and experience can match your requirements.
