-----------------------------------	--

I am a seasoned Senior Toolpusher with over 25 years of extensive experience in the oil and gas industry, both onshore and offshore. Throughout my career, I have demonstrated a strong commitment to safety, efficiency, and operational excellence. My personal attributes include high motivation, dedication, and a proactive approach to problem-solving. I excel in team environments, leveraging my excellent communication skills to foster collaboration and ensure seamless operations. My leadership qualities have been honed through diverse roles, training programs, and practical hands-on experience, enabling me to effectively supervise and mentor team members in high-pressure situations. I am goal-oriented, highly adaptable, and committed to continuous learning to stay abreast of industry advancements. I am eager to contribute my skills and expertise to a dynamic organization that values hard work, innovation, and team synergy. My objective is to further develop my knowledge and experience while actively supporting the growth and success of the company. I am confident that my background, combined with my strong work ethic, will make me a valuable asset to your team.

Industry training includes MEMIR, OPITO Emergency Control, Pressure Drilling (MPD), Offshore Crane Stage 2, Well Intervention, Safety & Rigging, Confined Space Rescue, Heights Work, Dangerous Goods, Electrical Safety, Firefighting, and Safety Supervisory
