Salary (in USD)	3000/Per Month
Industry	Procurement & Construction
Sub Industry	
Nationality	Pakistan
Primary Language	Hindi,
Secondary Language	English,
Total Years of Experience	12

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

As a highly experienced Marine and Offshore Crane Operator with over 12 years in the field, I am responsible for the safe and efficient operation of heavy-lift cranes, including pedestal, lattice boom, knuckle boom, and crawler cranes aboard offshore vessels and platforms. My duties include performing thorough pre-operational inspections, checking hydraulic systems, and ensuring all lifting equipment complies with international safety standards such as LOLER and IMCA. I oversee the loading and offloading of equipment, containers, and structural components between vessels, barges, and offshore facilities, maintaining full control during high-sea movements and variable weather conditions. I coordinate closely with riggers, signalmen, deck foremen, and marine supervisors to execute critical lifts according to approved lifting plans and risk assessments. My responsibilities also involve maintaining crane logbooks, service records, and monitoring the condition of wires, blocks, and safety devices like limit switches and LMI systems. I ensure proper rigging techniques, lifting gear certification, and adherence to HSE policies including Permit to Work (PTW), DROPS prevention, and emergency shutdown procedures. I also participate in toolbox talks, crew safety meetings, and training of junior crane operators or deck crew when needed. My goal is to maintain zero-incident crane operations and contribute to safe, successful offshore projects.

Skilled in mobile & crawler crane operations, rigging, load handling, safety checks, and LMI systems. Certified in crane operation, rigging, HTV license holder. Awarded for safe lifting by Daewoo E&C and Deacon Engineering.

Education Summary

Course	University	Passing Year	Country
High school	Nil	2007	Pakistan
