## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
Being an OIM on a jack up includes being a Senior Drilling Foreman managing the day-to-day activities with the DSV, particularly the management of operations and the coordination of service companies' daily activities. I would also like to mention that I have thirty years vested in my career to date in the onshore / offshore drilling oil and gas industry, I would like to highlight that I have valuable knowledge and extensive experience in downhole drilling operations, loss circulation, well control / kill scenarios, casing / cementing operations and more over with HPHT wells and Work over / Completion operations. I am a proven asset to my employer and look forward to the opportunity to join a growing, successful and well established drilling contractor. Please consider me for an OIM or Rig Manager role.	Liberian endorsed OIM License PIC-Major Emergency Management BOSIET / FIRST AID CPR Proficiency in Survival Craft & Rescue Boat (PSCR) IWCF Supervisory level 4- Surface BOP Stability and Ballast Control for MODUs
