Roles and Responsibilities	Additional Skills/Certification
I have graduated in master of petroleum engineering and spent my bachelor in the mechanical engineering. I worked as a slickline supervisor and operator, and a process engineer of gas refinery. I worked as a slickline operator in offshore and onshore. Also, i took an IELTS certificate in 2019. Im a well mannered and a responsible person in work. Repairing 3sv and 2sv were My duty as an operator in well service company. As a supervisor, i worked with different people and different behaviours, i learned how to be a leader and grow up the team in to the company goals. Please trust me and accept me in your teams. Your consequences will not change your idea about me. Changing 3sv and 2sv, fixed injection valve ad removing it, fixed plugs, using gauge cutter to find a total depth in directional gas or oil wells were some of my responsibilities.	Well intervention
