Additional Information

Roles and Responsibilities	Additional Skills/Certification
Supervise crew and lead on wireline pumpdown services. Load out all necessary tools and supplies for the given job and customer demands. Drive equipment to and from location. Handle all explosives per state and federal regulations. Operate crane within all safety limitations. Maintain company assets and supplies. Do daily inspections on all vehicles, equipment, crane, crane rigging and lifting equipment. Fill out job safety analysis forms for the job performed that day and adjust it or write a new one in accordance to changing scope of job. Daily inventory on all materials, supplies and log ask use if explosives are the beginning and end of shift. Adapt and overcome changes in job scope whether it's job request, weather or personnel changes. I understand that wireline isn't the exact same thing as slicking but feel that two are closer in comparison where my learned skills will thrive.	NCCCO Crane certified, commercial drivers license with hazmat and air brakes endorsement
