Safety is our core value and fundamental point of focus. We are committed to providing a safe workplace for our human capital and nothing is more important than keeping people safe from harm. Our GOAL ZERO ambition is to achieve ZERO harm to Personnel and ZERO damage to our equipment or the environment across all operations. Everyone working for will pledge to achieve this goal in every task, every single day. To achieve GOAL ZERO - we focus on the following key areas of safety hazards which have the highest potential risks for our activities; Personnel, Environment, Process, and Operations. We set consistent, high safety standards across the fleet and we require all our employees and contractors, whether they work in an office or on rigs(onshore), or in support services facilities. Rigs that don't lose man-hours due to injury or incur downtime due to equipment damage will perform better which in turn is value added towards the client's operation.	IWCF LEVEL-4
