Additional Information

Roles and Responsibilities	Additional Skills/Certification
I am passionate about the industry and dedicated to learning and growing within this field. I connect, collaborate, or learn more about the operation .My role is to assist drilling operations, ensuring that everything runs smoothly and safely on the rig. I work closely with the floor man, derrick man, and other crew members, providing the hands-on support needed to keep the operation on track. I take pride in my ability to work under challenging conditions, contributing to the success of each project I work with Different team members to ensure equipment's is in place, tools are cleaned and maintained and the drilling site is kept safe and organized. I work as a floor man on an oil and gas drilling including heavy drill pipes, maintain the equipment, and ensuring the drilling floor is safe and organized, lifting, connecting, and disconnecting sections of drill pipe, which requires strength, and quick reflexes.	Also Done a Course From Attock Rig Tech Institute Which Includes Rig Crew:system of Rig Type of Rig: Drilling and casing pipe size BOP and Many other Components
