|-----------------------------------|--|
| <b>Roles and Responsibilities</b> | <b>Additional Skills/Certification</b> |
|-----------------------------------|--|

Equipment Maintenance: Assist in maintaining drilling rig equipment, including cleaning, lubricating, and performing routine maintenance tasks to ensure proper functioning and safety compliance. Material Handling: Load and unload drilling supplies, equipment, and materials onto the rig using cranes, forklifts, or manual labor. Transport materials to and from storage areas and assist with inventory management. Deck Operations: Assist with rigging operations, including setting up and dismantling equipment, handling drilling tools and pipes, and securing loads during lifting and hoisting operations. General Labor: Perform various manual labor tasks as directed by supervisors, such as painting, cleaning, and general housekeeping to maintain a safe and organized work environment on the rig. Safety Compliance: Adhere to strict safety protocols and procedures to prevent accidents and ensure compliance with industry regulations. Participate in safety meetings, inspections, and drills to promote a culture of safety on the rig. Emergency Response: Be prepared to respond quickly and effectively to emergency situations, including fires, spills, or medical incidents, by following established emergency response procedures and protocols.

MVT Training
