## Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>My name is Muhammad Kashif Saeed. I have completed bs hons in physics and then 1 year experiences. Then I have completed master in physics just 4 months ago then I join the Servis shoes shop proper time as a Manager responsibility or focusing Management, ultimately improving their some experience. So I have some experience in marketing or harmful society effects and then I have attended some small project completed so then I applying to higher education for other country but my budget is not reliable then I decided applying to job but all factories is must have experiences in same field but I have no experience in same field but I need to responsibility to our family and then I decided to finish the study so proper focusing to job. I hope you considered my request. I need some time to your factory skills but I am honest and hard-worker to fully focusing honesty your responsibilities. Thank you sir/madam.</p>	Data entry,
