Additional Information

Roles and Responsibilities	Additional Skills/Certification
To show up every day with positive attitude and confidence in job I'm doing. Treat every one with respect. Very important to do job right and safe . Always help other people when they need it. Keep the work area clean . Every time get done with a job make sure all tools are clean and put back in place they belong. Always keep your head on swivel and be aware of your surroundings. Continue to learn something every day u are on the job. If u see some body doing job wrong try to correct them but do in professional way so want cause any problem. Might sure u show up every day on time and ready to work! Don't complain about your job . Don't let what going on at home distract you from doing your job cause it's easy to be thinking about home and lose focus on your job. That's easy way to get hurt or mess some thing up on the rig! Always keep your house clean and respect other guys stuff! Must have reliable vehicle to get u from job to job. Make sure you have an wear ppe at all times	Been in construction for 25 years
