Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Dear, I am writing to express my interest in applying for a Heavy Equipment Driver and Operator position with your esteemed company. With over 12 years of experience in Kuwait, I have worked on major projects, including those of the Kuwait Oil Company (KNPC), Shuaiba Port, and Al-Zour Refinery. I have acquired strong skills in operating excavators, dozers, Bobcat trucks, cranes, and dump trucks. In my current position at Al-Imkam General Trading and Contracting Company (SNF KUWAIT), a KOC project, I am responsible for operating various heavy equipment, conducting daily inspections, transporting materials, and ensuring strict adherence to safety standards. My experience has enabled me to work under pressure, handle a variety of on-site tasks, and contribute to the successful execution of large-scale operations. I hold a transferable Visa 18 and currently reside in Farwaniya, Kuwait. I welcome the opportunity to discuss how my skills and experience can add value to your team. Please see my attached resume. I look forward to your kind response. Currently I am on notice period because the Kuwait project will be completed next month. There are no other projects available in Kuwait. Best regards, Moataz Ragab Hafez Mobile: (+965) 94963890 WhatsApp: (+965) 94788246 Email: moataz1ragab@gmail.com

Heavy driver , loader , truck , excavators, crane, boom truck , Half lorry
