-----------------------------------	--

I am a skilled Mobile and Crawler Crane Operator with over 16 years of experience in Pakistan, Saudi Arabia, and currently in Turkey. I am experienced in operating cranes of various capacities, including models from Terex, XCMG, Zoomlion, Kato, Tadano, Kobelco, P&H, and Grove, and I can handle cranes lifting up to 200+ tons. Throughout my career, I have worked on diverse construction, infrastructure, and industrial projects, efficiently lifting, moving, and positioning heavy materials. I am proficient in reading load charts, technical drawings, and planning safe lift operations. Safety is my top priority, and I strictly follow operational and safety guidelines on every project. I am also skilled in performing routine inspections, maintenance checks, and minor troubleshooting to ensure smooth crane operation. My experience in different countries has enhanced my adaptability, teamwork, and problem-solving abilities. I am reliable, detail-oriented, and capable of managing complex lifting tasks under challenging conditions. With a strong track record and extensive hands-on experience, I am confident in my ability to contribute effectively to any project requiring professional crane operation.
