----------------------------	---------------------------------

I'm Deriller I work as a driller and have experience in the oil drilling field. I possess all the necessary certifications and courses. I worked for Saipem Semi-Sub for over 13 years and for Fateng Drillship in Lebanon and Cyprus. I also worked for Flares USA for over 4 years in Mauritania, Senegal, and Egypt using drillship equipment. Supervise drilling operations and ensure compliance with company safety procedures. Monitor well parameters, drilling fluids, and equipment performance. Assist Driller in managing drill floor activities and coordinating crew operations. Conduct regular inspections and preventive maintenance on rig equipment. Prepare drilling reports and support operational planning for multiple offshore projects. ENSCO Drillsip | Offshore Projects - International Assistant Driller | 2016-2020 Supported deep-water drilling operations in dynamic offshore environments. Operated and maintained top drive systems, mud pumps, and BOP controls. Assisted in pressure testing, tripping, and well control operations. Monitored real-time drilling parameters and ensured data accuracy. Collaborated with engineers and supervisors to optimize drilling performance. Trust Company | Egypt Assistant Driller | 2015-2016 : Worked with land rig drilling operations ensuring safe and efficient performance. Monitored mud systems, drilling tools, and hydraulic controls. Supervised floor crew and ensured adherence to HSE procedures. Assisted in well control procedures and BOP operation. E.C.D.C Egypt Land Rig | Egypt Derrickman | 2014-2015 Maintained mud systems and ensured proper circulation during drilling. Checked derrick equipment, elevators, and mud pumps regularly Assisted in trip operations and supported drilling crew as needed. Saipem Egypt Co. | Egypt & Netherlands
