## Personal Information

Candidate id	4463
Name	abdelrahman hussein
Date of Birth	1999-06-09
Salary (in USD)	2000/Per Month
Industry	Drilling / Rig
Sub Industry	Roustabout
Nationality	Egypt
Primary Language	Arabic,
Secondary Language	English,
Total Years of Experience	3

## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

Responsible for assisting in the maintenance, troubleshooting, and repair of all electrical systems on the drilling rig to ensure continuous and safe operations. Supporting daily preventive and corrective maintenance tasks for electrical power generation and distribution systems, including diesel generators, switchboards, SCR control systems, distribution panels, and electrical protection devices. Performing routine checks on AC and DC motors, MCCs, lighting systems, HVAC units, and all critical drilling equipment such as the Top Drive, Drawworks, Mud Pumps, and auxiliary systems. Assisting in identifying electrical faults, carrying out diagnostic tests, replacing faulty components, and escalating complex issues to senior electricians when required. Maintaining proper operation of generators and SCR control cubicles through inspections, cleaning, torqueing, and monitoring load performance to minimize downtime. Supporting installation and cable routing activities, termination, insulation testing, and equipment commissioning tasks when needed. Ensuring all work is performed according to HSE rules, LOTO procedures, and company standards. Keeping accurate maintenance records, completing work orders, and coordinating with mechanical, hydraulic, and drilling teams during planned shutdowns and equipment interventions. Contributing to safe drilling operations by maintaining high reliability of all electrical systems and providing continuous support to the rig's operational teams.

- T- Boseit. -  
Offshore Fire  
Emergency Response  
Team Member.
