Since leaving school my employment has been working in the oil and gas Drilling industry, for Sedco initially, until it became what it is now, Sedco Forex Schlumberger. You will see that I have worked and developed from A Roustabout to my present position. This is a clear indication of my experience offshore and onshore, in all aspects of Drilling, production and management. At Present Time I am working as a Sub Contractor Through RST Global Solutions as a Technical Trainer teaching and Mentoring Drilling Personnel. Most of my Work is performed in Saudi Aribia teaching, coaching and Assessing Candidates on NOV Amphion and Cyber Chair Operating Systems. Also Cameron X-Com System and the Schlumberger Upgrade to the System. Also Teach other Drilling Courses as per Clients Request. Clients I have Worked For Include COSL, ARO, ADES, BORR and SINOPEC.
