I have more than 15 years experience as Rig Electrician in many oil and gas industry,I have ability to repair any types of electric motor,mud pump,agatitor,ac. With number of years experience I believe,I will solve any electrical or electronic problem. Since I started my career as Rig Electrician I always focus to build my career so I will be able solve any electrical problem that come my way. In drilling floor I solve many problem like repair of work draw, repair some electrical components in driller room,as a Rig Electrician I solve some problem in VFD room like mixing super, changing some breaker,fuse. I also participate in lay of network cable in rig site and camp. As Rig Electrician I also repair UPS,AC....This came as the Nigerian Government condemned the military coup in the Republic of Guinea-Bissau, describing it as an unconstitutional change of government that threatens stability in the West African region. Meanwhile, President Bola Tinubu, yesterday, joined other Heads of State and Government of the ECOWAS, in an extraordinary virtual summit convened to address the political crisis in Guinea-Bissau, following the Wednesday's

Rig Electrician
