

Falcon Multi Services Ltd
201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	4648
Name	Mohamed Askar
Date of Birth	1990-07-09
Salary (in USD)	3500/Per Month
Industry	Production
Sub Industry	Stimulation
Nationality	Egypt
Primary Language	Arabic,
Secondary Language	English,
Total Years of Experience	13

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Mohamed Askar is an experienced Well Integrity Engineer with over 13 years of working experience in the oil industry. He has a diverse range of expertise in various Petroleum Engineering roles, as company representative or consultant, including Artificial Lift, Well Integrity, Production Technology, Well Completion, Well Servicing, Well Intervention, Scale Management, and Flow Assurance. He has a valid IWCF certificate (Level 4 Well Control Certification). Mohamed Askar holds a Master of Science Degree from Cairo University, Egypt, in Petroleum Engineering, where he implemented Artificial Neural Networks and different Machine Learning Algorithms in predicting scale depositions inside production wells. He also completed his Bachelor's Degree in Petroleum Engineering from Suez Canal University, Egypt, and he was ranked in the Top 10 of the faculty. He is currently pursuing his PhD Degree in Petroleum and Natural Gas Engineering at a university in Turkey investigating corrosion inside well completion of production wells. He has made multiple contributions in the form of Research Papers (Journal and Conference Papers) and presentations at several conferences, including King Saud Journal of Engineering Sciences, SPE Journal, ADIPEC, MOC, EGYPS, and EOGC. Moreover, he has participated in several industry courses covering topics such as Well Integrity Management, Flow Assurance, Scale Management, Gas Lift, Well Completion, Well Servicing, Stimulation Techniques, Drilling and Workover Essentials, Production Technology, and all Well Intervention activities. Mohamed delivered corporate training programs for leading organizations such as MOL Hungarian Oil & Gas PLC, Sonatrach, Repsol Exploration Murzuq S.A., Sonatrach-Sinopec group, Bapco Upstream W.L.L, Azule Energy, Turkish Petroleum-OTC, Kuwait Oil Company, SOCAR, Chad Petroleum Company (CPC), Chevron, OQ Oman, and SNOG. He holds a certificate of Training of Trainers (TOT) and acts as a registered SPE Ambassador Lecturer.

IWCF well control certificate level 4

Education Summary

Course	University	Passing Year	Country
PhD in Petroleum and Natural Gas Engineering	Near East University	2025	Turkey
Masters of Science in Petroleum Engineering	Cairo University	2023	Egypt
Bachelors in Petroleum Engineering	Suez Canal University, Egypt	2012	Egypt

Career Summary

Position	Employer	Country	From	To
Well Integrity, Production Technology, and Flow Assurance Engineer	Gulf of Suez Petroleum Company	Egypt	07/2013	12/2025
