-----------------------------------	--

Morning, I am writing to express my interest in the CT Supervisor or Technical CT Engineer position within your organization. I bring over 17 years of hands-on experience with Halliburton Egypt, covering a wide range of onshore, drill ship, and subsea operations. Throughout my career, I have gained extensive technical expertise in E-Spectrum Coil Tubing services, including but not limited to: Milling Clean-out operations Acid stimulation PLT Perforation And various other CT intervention services In addition to my field experience, I am currently involved in the planning and preparation of upcoming CTD (Coil Tubing Drilling) jobs, which has strengthened my skills in job design, risk assessment, and operational coordination. My background has allowed me to develop strong leadership abilities, a solid understanding of safety and service quality standards, and the capability to manage complex operations efficiently. I am confident that my experience and technical knowledge would allow me to contribute effectively to your team and support your operational objectives. I would welcome the opportunity to discuss how my skills and experience align with your needs.

Skilled CT Supervisor with 17+ years in onshore, drill ship, and subsea operations. Expert in E-Spectrum CT services (milling, cleanout, acid, PLT, perforation) with strong planning, troubleshooting, and job execution abilities.
