Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>Derrickman with 13 years of progressive experience in the oil & gas drilling industry, starting as a Roustabout and advancing through Floorman, Pumpman, and Derrickman positions. Skilled in land rigs, jack-ups, and drillships with strong expertise in drilling operations, rig equipment, safety compliance, and crew management. Seeking to leverage technical knowledge, HSE awareness, and leadership skills to contribute to a leading drilling contractor. The most important skills and qualities in the oil and gas industry are strong safety awareness, technical competence, teamwork, discipline, and the ability to work under pressure in challenging environments. I prefer a safe, disciplined work environment with clear procedures, strong teamwork, and professional leadership, especially in operational and offshore settings.</p>	<p>BOSIET – Basic Offshore Safety Induction & Emergency Training Fire Fighting H2S & Confined Space Training Rigging and Lifting Safety Management System Manual Handling Electrical Safety Stuck Pipe Working at Height Drilling Technology Banksman</p>
