-----------------------------------	--

I am writing to express my interest in Data engineer and wellsite geologist. With over 12 years of experience in data engineering and wellsite geology, I am confident that I possess the skills and expertise required for this role. As a seasoned professional in the oil and gas industry, I have developed strong expertise in real-time data acquisition, sensor calibration, hydrocarbon monitoring, and formation evaluation. I hold a bachelor degree in Petroleum Geoscience from Cairo University and am certified in THUET and H2S. Throughout my career, I have worked with prominent companies such as Petroservices Services GMPH and Apetco Company, managing data acquisition and analysis for numerous wells. I have also trained and mentored junior engineers and geologists, helping them develop their skills and expertise. I am excited about the opportunity to join your team and contribute my expertise to drive success. I have attached my resume for your review, which provides more details about my qualifications and experience. Thank you for considering my application. I look forward to discussing this opportunity further.
