## Personal Information

Candidate id	6455
Name	SHERIF AHMED EZZELDEEN ALI
Date of Birth	1988-10-02
Salary (in USD)	8000/Per Month
Industry	Drilling / Rig
Sub Industry	Rig Electrician
Nationality	Egypt
Primary Language	Arabic,
Secondary Language	English,
Total Years of Experience	16

## Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

A master's degree engineer with over 14 years of extensive oil and gas experience working with multi-national operators, drilling contractors, and engineering consultancy. Most of my recent experience was gained in drilling & workover operations. Involved in all aspects of drilling from conceptual / feasibility studies, detailed well planning, and technical studies in the office in addition to onshore/offshore field supervision experience emphasizing safety and compliance. Work on 2000 HP onshore Top drive & Kelly rigs. • Work on Offshore Jack-up rigs. • Supervise rig inspection & acceptance as per checklist. • Prepare and submit the final drawing of wellhead and wellbore sketches. • Manage the well site organization, Drilling contractor crew, and Service companies. • Identify high-risk assessment and management, document them, and arrange preventive measures. • Drilling of highly deviated & horizontal wells. • Select and run different types of Rollers cone; PDC; Hybrid and Impregnated bits with different drive mechanisms (MTR; RSS; Turbine.... etc.). • Dealing with many drilling hazards: complete losses, high reactive shale, wellbore instability, ballooning effect, shallow gas, string twist-off, string stuck, high-pressure formation & well control problems. • Run & cement conventional and Versa-Flex liner jobs. • Casing and cementing programs revision & Job supervising. • Well Sidetracking using Open / Cased hole Whipstock or CMT Time drill. • Re-Entry Wells using Cased hole Whipstock. • Drill string and drilling hydraulics design. • Cement remedial jobs & various workover operations.

. Valid Well Control IWCF (Supervisor Level-4). • Valid IADC (Well Sharp). • Halliburton –Landmark Software Package (Open wells-Stress check- Data AnalyzerCompass-

## Education Summary
