## Personal Information

<b>Candidate id</b>	6475
<b>Name</b>	Ben NZOUSSI
<b>Date of Birth</b>	1996-05-25
<b>Salary (in USD)</b>	8500/Per Month
<b>Industry</b>	Engineering & Science
<b>Sub Industry</b>	Electrical Engineer
<b>Nationality</b>	Republic Of The Congo
<b>Primary Language</b>	French,
<b>Secondary Language</b>	English,
<b>Total Years of Experience</b>	6

## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

I successfully led initiatives to enhance well performance and production at Kouilou Exploration & Production. • Developed and executed drilling and workover programs to optimize natural flow wells. • Converted natural flowing wells to ESP and PCP systems, improving operational efficiency. • Collaborated with multidisciplinary teams to ensure effective implementation of well operations. • Ability to work under stress and pressure • Had under my responsibility most of the well design and intervention program At Perenco, our team's dedication to operational excellence led to the successful drilling and production of 18 wells, showcasing our commitment to sustainable resource management. My role as Drilling Engineer integrated my hands-on skills in drilling engineering, well design my HSE expertise, ensuring health and safety remained paramount in all operations. My educational journey at Institut Ucac-Icam equipped me with a strong foundation in engineering and industrial management. This academic preparation translated into effective resource planning and execution in the field. Motivated by innovation and efficiency, I am set to continue contributing to the advancement of safe and productive drilling/well intervention operations.

Technical analysis, improving, creativity, software, drilling and design, responsibilities, etc.

## Education Summary

Course	University	Passing Year	Country
General engineering	ICAM	2021	France

## Career Summary

Position	Employer	Country	From	To
Drilling engineer/Supervisor	PERENCO	Republic Of The Congo	09/2019	07/2024
Drilling and workover engineer/Supervisor	KOUILOU E&P	Republic Of The Congo	09/2024	01/2026
